**CT Syringe For Bayer Medrad MCT Plus, Vistron CT, Envision CT, Stellant, Imaxeon
Salient CT Injectors**

Product description:

Injector Model	Contents/Package	Product Number
Medrad MCT Plus	1-200mL syringe	100101
Vistron CT	1-150cm coiled low pressure connecting tube	
Envisagez CT	1-quick fill tube	
Medrad Stellant Single	Packing 50pcs/case 1-200mL syringe	100102
	1-150cm coiled low pressure connecting tube	
	1-quick fill tube	
Medrad	Packing 50pcs/case 1-125mL syringe	100103
Vision CT	1-150cm coiled low pressure connecting tube	
Envision CT	1-quick fill tube	
Medrad Stellant Dual	Packing 50pcs/case 2-200mL syringes	100104

	1-150cm coiled low pressure CT	
	Y connecting tube	
	2-quick fill tubes	
Medrad Imaxeon	Packing□20pcs/case 1-190mL syringe	100106
Salient CT	1-150cm coiled low pressure connecting tube	
	1-quick fill tube	
	1-small spike	
Medrad Stellant Dual	Packing□50pcs/case 2-200mL syringes	100110
	1-150cm coiled low pressure CT	
	Y connecting tube	
	2-long spikes	
	Packing□20pcs/case	

Product Information:

Volume: 125mL,190mL,200mL

3-year shelf life

FDA(510k),CE0123, ISO13485, MDSAP certificated

DEHP Free, Non-Toxic, Non-Pyrogenic

ETO sterilized and single-use only

Compatible injector model: Bayer Medrad MCT Plus, Vistron CT, Envision CT, Stellant, Imaxeon Salient

Advantages:

Fully automated prouduction line and independant modal room

Extensive accessories for contrast media injections are available

Ref Seringue CT : 100101, 100102, 100103, 100104, 100106, 100110
